Film Reviews:

Review of yesterdays seventh and eighth races. JBAC executive manager Daren Gomez was present and represented Rachel Slevinsky in her absence

Race 7 – involving Kirk Johnson and Amanda Vandermeersch for interference during the stretch run. Amanda said she saw Kirk was having trouble with his horse but he does come into my path. Kirk said I know I crossed into her path, didn't realize how bad at the time but I was doing my best to keep him straight. Pulling on the right line and using my crop left-handed. After review, no action was taken against Mr. Johnson

Race 8 – involving Rachel Slevinsky, Amanda Vandermeersch and Lenny Seecharan for interference in the vicinity of the three eighth pole. Rachel (via Daren) said she didn't want to be up in there but had a hard time getting my horse back, I was on heels. Amanda said I never really came in that much and I believe Rachel was in a bad spot by her own doing. After review, no action was taken against Ms. Vandermeersch. Lenny Seecharan did not show for the review and

will be questioned about his absence.
