Backstretch:

A question was brought forward about the licensing requirements for maintenance people doing work in the barn area. The ones currently doing it are licensed but they have unlicensed persons working the remainder of the property and wish to use some of them due to staffing issues. Marylin will refer the question to Licensing for clarification.

Dr. Chambers was in to discuss the test barn needing to notify the Vets of any issues re lameness or bleeding that they observe. He was going to have a meeting with the test barn personnel.

Howard Keen was in to answer some questions about a person who was working in his barn area and suffered an injury. He indicated that he had a current WSIB. He was cautioned about these individuals that he brings in to "teach" the business and that he has the same responsibilities to them as to any paid employees.

Alladin Murray was in to discuss the release of purse monies held from last year. The money was released. Mr. Murray was informed that if he intends to participate in horse ownership in the future acceptable trainer -owner contracts would be required prior to licensing.

Film Reviews:

Races:

R1-#1 stumbled at the start. Race clear

R2-Reviewed stretch run. #2 (Johnson) comes in under right handed urging and #3 (Pinto) comes out under left handed urging. Slight bump with both horses contributing to it. #2 was eased across the wire. Win photo

R3-Jockey Claim of Foul and Stewards Inquiry at the head of the stretch. The jockey of #4 Pinto (3rd) claimed foul saying that the #5 Malhot (1st) came off the rail and made contact with her causing her to lose momentum. The rider of #5 came off his mount pulling up and was attended to by EMS. It appeared that he had an asthma attack and as such was unavailable to come to the phone. After reviewing the films it appears the #5 does come out and impede the #4 horse which at that stage appeared to be going by. #5 Night Gathers finished first and placed third for interference at the head of the stretch. Notice of Review sent for Malhot and Pinto for Tuesday. <https://youtu.be/HZiZqJzuEU>

Pierre Malhot off the remainder of mounts today.

Also prior to the start of the race the #1 was fractious in the post parade and the rider came off and the horse was led to the gate. All other horses had riders taken off. There was about a nine minute delay getting the horse to the gate.
