Backstretch Access Registration Form - 2022

Due to COVID-19, Fort Erie Race Track's backstretch will once again be open to essential personnel only. Only those on a pre-registered list will be granted access.

Please complete the form below with names of all your essential staff who require backstretch access this season (including yourself). If you need to add additional names to the backstretch list after submitting your form, contact the Race Office at least 24 hours before backstretch access is required.

Note: Remember to add yourself to the list below as well.
