

Fort Erie Selections: Sunday, July 12th, 2026

The Sunday program features eight races, one of which is on the turf. The late pick four looks to be a tricky sequence – we have an allowance event to kick it off, two competitive, starter optional claiming races, and the turf race to round out the sequence. Stick around after the eighth race for the dachshund races! Good luck to today's connections and those wagering on the races! - Ashley Mailloux
