Office:

Two horses excused as heat scratches today.

Complaint from Owner Katherine Morrisette, her horse Loquacious, 1st race today, was scratched this morning by the Official Veterinarian after the horse had received its' racing medication Furosemide. She asked if there was any way to recoup her loss of costs associated with the medication administration. We advised that she could speak with horseman's group representative and we would discuss with our Manager of Veterinarian services.
