

# FORT ERIE RACE TRACK

January 20, 2022

Dear Fort Erie Horsepeople,

It is that time of year again where we start preparing for the upcoming racing season, and I wanted to provide you with some important updates. Although we all hoped it would be behind us by now, it appears that we will likely be preparing for our third racing season where COVID-19 will add some challenges. We will continue to follow all guidelines laid out by the Province and Ontario Racing in order to operate our venue and backstretch as safely as possible.

**Live Racing** - We have been approved for 40 race days, beginning May 31 until October 18. We will run Mondays at 1:05 pm and Tuesdays at 4:05 pm (1:05 pm in the fall), with an occasional Sunday instead of Monday. See the attached racing calendar for the full schedule.

**Backstretch Access** - Currently we are preparing for a season similar to last year, where our backstretch access will be limited to essential personnel only. When you complete your stall application form, please also complete the essential staff form and provide us with a list of your staff who will be requiring access.

As we get closer to the backstretch opening, we will provide an update on any COVID related requirements. For those returning from the US, be aware that border requirements are constantly changing, and we will be enforcing all safety guidelines laid out by the government.

**Horses** - All horses entering the backstretch are required to have up-to-date vaccinations, including EHV-1, Rhino/Flu, and Coggins tests. Vaccination records must be provided to the race office at least 24 hours before horses arrive.

When it's time to begin shipping in horses, it is important that you contact the Race Office or Harry to let us know so we can prepare for your arrival. In the month of April we will again be offering 4 free bags of shavings or 2 free bales of straw to anyone who contacts us at least 24 hours before their arrival.

## **Important Dates:**

March 28- Backstretch opens for stall setup

April 1 - Horses can begin shipping in.

April 2 - Exerciser opens and will be free to use again this season.

April 10 – Tentative date for track to open for training.

May 31 – First day of racing

Attached please find your stall application and staff registration form for the 2022 season. Please complete these and return them as soon as possible, no later than March 7th. Late applicants may have their stalls relocated. Completed forms can be returned to Harry Eder, or dropped off at the Administration Building. If you have any questions contact Harry at [heder@forterieracetrack.ca](mailto:heder@forterieracetrack.ca), or 289-303-7982.

I'm looking forward to the start of another racing season, and wishing everyone all the best in the coming year.
